SUBJECT: Superintendent's Request Form and Judges Request Form

Thank you for sharing your time and talents with the Hunterdon County Fair. It is not too early to make plans for the 2022 fair on August 24th – 28th. To help make your job, as easy as we can.

I have enclosed a copy of the ribbon order form, please review the amount left over and decide how many ribbons you will need for your show in 2022. Please take into a count of what you have leftover. The fair will be switching to generic type ribbons and we will order what fits best for our show. (ex: Best of Show, Best of Division, Viewer Choice, etc.) You may need to use both old style and new ribbons for this year, as we transition to generic. In doing this we are hoping to be able to cut back on the high cost of ribbons. Please pay careful attention to due dates, **your ribbon order is due on or before Friday, January 28th.**

I am sending you your show rules. Please update them and send them back to me, your show will be updated with rules as soon as I receive them back. Please make your changes and additions in red so I know what has been changed. I **will not** be making changes for you, as there are too many shows for me to keep track of, so please update these and send them back to me.

Finally, please view the fair website <http://www.hunterdoncountyfair.com/show-information/superintendent-information> and fill out the Superintendent Request and Judge Request form and return them to Hunterdon County 4-H & Agricultural Fair, PO Box 2900, Flemington, NJ 08822 or email to speterson@co.hunterdon.nj.us, no later than Monday, August 1st. Passes will be mailed out to judges and show committee around August 15th.

Thank you for all the time and effort you put into making our Fair a success.
